sohailmannan54@gmail.com | 03116393626

"I am a committed professional with a demonstrated history of excellence in web development. Possessing proficiency in technical skills including **HTML, CSS, JavaScript, Bootstrap, SQL**, and **WordPress**, I have consistently showcased my ability to flourish in diverse environments.

By seamlessly integrating my religious studies with technological expertise, I have meticulously crafted a distinctive skill set. My journey encompasses the notable achievement of **memorizing the Quran** and attaining a **Master's degree in Islamic and Arabic subjects**. Armed with these accomplishments, I am enthusiastic about contributing my unique qualities and skills to a dynamic and progressive role."
